* A Professional Accounting Corporation

To the Board of Directors
Lafayette Community Health Care Clinic, Inc.
Lafayette, Louisiana

We have audited the accompanying statement of financial position of Lafayette Community Health Care Clinic, Inc. (a nonprofit organization) as of December 31, 2005 and 2004, and the related statements of activities, functional expenses, and cash flows for the years then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Lafayette Community Health Care Clinic, Inc. as of December 31, 2005 and 2004, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with Government Auditing Standards, we have also issued our report dated June 15, 2006, on our consideration of Lafayette Community Health Care Clinic, Inc.'s internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standard and should be considered in assessing the results of our audit.

Member of:
AMERICAN INSTITUTE OF
CERTIFIED PUBLIC ACCOUNTS

Member of:
SOCIETY OF LOUISIANA
CERTIFIED PUBLIC ACCOUNTANTS

Our audit was performed for the purpose of forming an opinion on the financial statements of Lafayette Community Health Care Clinic, Inc. taken as a whole. The accompanying financial information listed as "Supplementary Information" in the table of contents is not a required part of the financial statements of Lafayette Community Health Care Clinic, Inc. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly presented, in all material respects, in relation to the basic financial statements taken as a whole.

The accompanying notes are an integral part of this statement.

LAFAYETTE COMMUNITY HEALTH CARE CLINIC, INC.
Lafayette, Louisiana

Notes to Financial Statements

(1) Summary of Significant Accounting Policies

A. Organization

Lafayette Community Health Care Clinic, Inc. (The Clinic) is a nonprofit organization, incorporated on September 16, 1992, under the laws of the State of Louisiana. The Clinic was formed to supply facilities, volunteer staff, and other support for the rendering of free medical and dental treatment, and free prescription medications to working uninsured residents of Lafayette Parish.

B. Financial Statement Presentation

The Clinic has adopted the provisions of Statements of Financial Accounting Standards No. 117, "Financial Statements of Not-for-Profit Organizations". Statement No. 117 requires the Clinic to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets.

C. Basis of Accounting

The Clinic is accounted for using the accrual basis of accounting whereby revenues are generally recognized when they are earned and expenses are recognized when incurred. Contributions are recognized as revenue when they are received or unconditionally pledged. Contributions are recorded as unrestricted, temporarily restricted or permanently restricted support depending on the existence and/or nature of any donor restrictions. Those donor-restricted contributions whose restrictions, however, are met in the same reporting period are reported as unrestricted support.

The Clinic reports gifts of land, buildings, and equipment as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how these long-lived assets must be maintained, the Clinic reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

D. Donated Services and Materials

Contributions of services are recognized if the services received (a) create or enhance non-financial assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation.

LAFAYETTE COMMUNITY HEALTH CARE CLINIC, INC.
Lafayette, Louisiana

Notes to Financial Statement (Continued)

E. Property and Equipment

The cost of property and equipment, which has an expected useful life in excess of two years, and an acquisition cost of \$5,000 or more is capitalized. Property and equipment are valued at historical cost and are being depreciated on a straight-line basis. Depreciation expense for 2005 and 2004 totaled \$19,395 and \$15,545, respectively.

F. Allocation of Functional Expenses

Direct expenses are charged to program or support based on specific identification. Indirect expenses such as rent and utilities are allocated based on the square footage of the building utilized for program activity and support activity. Salaries are allocated based on a ratio of weekly time dedicated between program and support services to total weekly time.

G. Compensated Absences

Full-time regular staff employees receive 4 hours of vacation per each of the 24 pay periods. Part-time regular staff employees receive 2 hours of vacation per each of the 24 pay periods. It is against Clinic policy for a staff member to receive cash payments in lieu of vacation time. Upon termination of employment, payment will be made for unused vacation not to exceed ten (10) days maximum. Paid sick leave is available to all employees subject to the restrictions set forth in the employee handbook.

H. Income Tax Status

The Clinic qualifies as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code, and therefore, has no provision for federal income taxes. The Organization is not classified as a private foundation.

I. Statement of Cash Flows

For purposes of the Statement of Cash Flows, the Clinic considers all highly liquid interest-bearing investments with a maturity of three months or less at the date of acquisition to be cash equivalents.

J. Nature of Operations, Risks, and Uncertainties

The Clinic relies heavily on volunteers, donated services and materials, and grants and contributions. Without this support the Clinic could not continue operating.

K. Use of Estimates

The process of preparing financial statements in conformity with generally accepted accounting principles requires the use of estimates and assumptions regarding certain types of assets, liabilities, support, and expenses. Such estimates primarily relate to unsettled transactions and events as of the date of the financial statements. Accordingly, upon settlement, actual results may differ from estimated amounts.

L. Report Classification

Certain previously reported amounts for the year ended December 31, 2004 have been reclassified to conform to the December 31, 2005 classifications.

(2) Property and Equipment

Property and equipment are comprised of the following:

	<u>2005</u>	<u>2004</u>
Dental equipment	\$ 8,236	\$ 8,236
Office equipment	17,003	11,228
Medical equipment	11,562	11,562
Land	46,216	46,216
Buildings and improvements	<u>476,927</u>	<u>476,927</u>
Total property and equipment	559,944	554,169
Less: accumulated depreciation	<u>(87,794)</u>	<u>(68,399)</u>
Property and equipment, net	<u>\$ 472,150</u>	<u>\$ 485,770</u>

(3) Federal Grant

During 2005, the Clinic recognized revenue in the amount of \$2,147 as a grant from the Community Development Block Grant (CDBG) Program of the United States Department of Housing and Urban Development through Lafayette Consolidated Government. The funds are to be used for the purpose of implementing eye care and diabetic foot care programs, including supportive counseling for patients with chronic diseases such as diabetes and hypertension, and expand existing clinic services. Included in the amount recognized is \$1,210 for expenses incurred by the Clinic not yet reimbursed by Lafayette Consolidated Government.

LAFAYETTE COMMUNITY HEALTH CARE CLINIC, INC.
Lafayette, Louisiana

Notes to Financial Statement (Continued)

(4) Fair Values of Financial Instruments

The Clinic's financial instruments, none of which are held for trading purposes, include cash, grants receivable, accounts payable and accrued expenses. The Clinic estimates that the fair value of all financial instruments at December 31, 2005 does not differ materially from the aggregate carrying value of its financial instruments recorded in the accompanying statement of financial position. The estimated fair value amounts have been determined by the Clinic using available market information and appropriate valuation methodologies. Considerable judgment is necessarily required in interpreting market data to develop the estimates of fair value and, accordingly, the estimates are not necessarily indicative of the amounts that the Clinic could realize in a current market exchange.

(5) Pension Plan

The Clinic has established a discretionary simplified employee pension plan for the benefit of all of its eligible employees. Any employee who has performed service in at least three of the immediately five preceding plan years and who has reached the age of twenty-one is eligible to participate. The Clinic may make a discretionary contribution each plan year and shall be allocated to each participant in the same proportion that each participant's compensation bears to the compensation of all participants for such year. In 2005 and 2004 the Clinic contributed \$7,654 and \$3,721, respectively, to the plan.

(6) Contributed Services

The Clinic recognizes contribution revenue for certain services received at the fair value of those services. These contributed services are included in contributions on the statement of activities and include the following:

	<u>2005</u>	<u>2004</u>
Services provided:		
Medical	\$ 125,825	\$ 99,139
Dental	340,402	225,899
Lab/x-ray	104,400	71,584
Mammograms	29,197	23,453
Prescriptions	281,363	239,775
Consulting	<u>45,028</u>	<u>46,826</u>
Total contributed services	<u>\$926,215</u>	<u>\$ 706,676</u>

(7) Notes Payable

	<u>2005</u>	<u>2004</u>
Loan from Midsouth Bank, maturing on May 5, 2009, bearing interest at 4.5%, secured by a first mortgage on the building and land at 1317 Jefferson Street.	\$ 89,099	\$ 104,790
Loan from Lafayette Neighborhood's Economic Development Corporation (LNEDC) for improvements to the building at 1317 Jefferson Street, maturing September 20, 2015, bearing interest at 6.0%, secured by a second mortgage on the building and land at 1317 Jefferson Street.	<u>45,866</u>	<u>49,149</u>
Total notes payable	134,965	153,939
Less: current portion	<u>(18,666)</u>	<u>(17,744)</u>
Net long-term portion	<u>\$ 116,299</u>	<u>\$ 136,195</u>

Following are the scheduled payments for notes payables, including interest of \$24,735.

<u>Year</u>	<u>Amount</u>
2006	\$ 25,023
2007	25,023
2008	25,023
2009	50,011
2010	6,156
2011-2014	24,622
2015	<u>3,844</u>
	<u>\$ 159,702</u>

(8) Risk Management

The Clinic is exposed to risks of loss in the areas of general liability, property hazards and workers' compensation. All of these risks are handled by purchasing commercial insurance coverage. There have been no significant reductions in the insurance coverage during the year. Insurance settlements have not exceeded insurance coverage the past three years.

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE
WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Directors
Lafayette Community Health Care Clinic, Inc.
Lafayette, Louisiana

We have audited the financial statements of the Lafayette Community Health Care Clinic, Inc. (a nonprofit organization) as of and for the year ended December 31, 2005, and have issued our report thereon dated June 15, 2006. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

Internal Control over Financial Reporting

In planning and performing our audit, we considered Lafayette Community Health Care Clinic Inc.'s internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide an opinion on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Lafayette Community Health Care Clinic Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under Government Auditing Standards.

This report is intended solely for the information and use of the Board of Directors and management, others within the organization, and grant awarding agencies and is not intended to be and should not be used by anyone other than these specified parties. However, this report is a matter of public record and its distribution is not limited. Also, under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.
